

Dear Zinc Supporter

## **Update from Zinc regarding Coronavirus / COVID-19 – 24th March 2020**

Following last night's government announcement and the new restrictions in order to prevent the spread of Coronavirus / COVID-19 we have taken the sad decision to close the Zinc Building.

Our Aspire Learning classes remain cancelled until the end of the Easter holidays, however as an education provider for people with EHCPs we may reopen after Easter. More news on this will be announced as soon as possible.

**All of our own regular activities, including Kids Easter Activities, Holiday Cinema Club, Cinefriends and Friendship club are no longer running, if you had tickets or spaces booked on any of these events please contact [info@zincarts.org.uk](mailto:info@zincarts.org.uk) to discuss next steps.**

Activities, events and classes run by external providers are also cancelled; we recommend you contact providers directly to discuss what happens for any courses or activities booked. We will shortly be publishing contacts for as many of our providers as possible.

Basement Fitness at Zinc has been closed since Tuesday 16<sup>th</sup> March until further notice, with all classes no longer running. Our trainers are currently working on some online material to help keep everyone well and healthy during this period.

Arabesque is currently closed and will remain so for the foreseeable future following yesterday's announcement that all non-essential shops are to close. They are still open online at [www.arabesquecostumes.com](http://www.arabesquecostumes.com)

This is a rapidly evolving situation and we will continue to follow the guidance issued by Public Health England and World Health Organisation.

**Please stay safe and know that we will be here at Zinc for you whenever you are able to return! Please keep an eye on our social media and website for further updates.**

*Our very best wishes.*

*The Team at Zinc.*
